Mentor Feedback

- Some icons look like buttons when they are not
- Indicate that empty cells in a table are not a bug/missing
- Link back to course page for convenience in bulk emails
- Putting more danger text in red could be helpful
- Improve styling of navbar
- Verify responsiveness on mobile using cloud deployment

End of Iteration Madness

Feature/Issue

No feature, but bug bad. Squash bug.

Client Feedback & Software Usage

- Kurt used our software as deployed to AWS
- He gave positive feedback with points for usability improvement
 - Course page has come a long way
 - Liked the auto-canceling of reminders for 'done' commitments
 - Media share should open in new tab instead of replacing page
 - Consider including a credits page
 - Clarify on dashboard if reminders are scheduled
 - Indicate which course commitments are a part of

Teamwork - Lee's Code

- FR317 (Cancel all reminder emails)
- FR316 (Recurring reminder emails)
- FR418 (Delete courses)
- FR108 (Profile view & edit pages)
- FR106 (Password change)

Teamwork - North's Code

- FR605 (Social Media Share
- NR12 (Students/commitments display)
- NR16 (Bulk email defaults)
- Aesthetic improvements, dark mode

Teamwork - Non-code

- Code Reviews
 - North and Lee were extensively involved (every PR)
- Code Cleaning
 - Both Lee and North worked on this throughout the iteration, and in-person at the end of the iteration
- Documentation
 - Lee handled Deployment.md and Development.md
 - North handled User.md
- Presentation slides & prep
 - Both Lee & North contributed significantly
